This fictional story could unfold anywhere this account happens to take place in a midwestern city. Terms and concepts will surface throughout gray market shucking party Prescription Drug Marketing Act of 1987 (PDMA). The District Attorneys office is investigating the Mafias involvement in a complex scheme. PharmaMafia tells the story from the inside about how organized crime has penetrated the lucrative pharmaceutical gray market. At the core of the novel is an outstanding young man making a decision to stop the Mafia from scamming his profession. If things go wrong, it could lead to his death!
