Phil Maturano: Latin Soloing For Drumset
By (composer) Phil Maturano

(Musicians Institute Press). Discover the secret phrasing of African-descent rhythms in this one-on-one lesson! MI instructor Phil Maturano teaches Relayed Time Shifting (RTS), a unique system of shifting between cut time and 6/8, and covers complex and stylistically challenging rhythms such as mambo, cha cha, samba, bossa nova, soca and cumbia. On the audio, Phil demonstrates RTS as he plays along with his band Zumbadah-Asche, which features some of LA's hottest Latin players! The audio is accessed online using the unique code inside each book and can be streamed or downloaded. The audio files include PLAYBACK+, a multi-functional audio player that allows you to slow down audio without changing pitch, set loop points, change keys, and pan left or right.
