Philip Alfred Mickelson was born to be one of the best golfers in the world. He started playing golf about the time he could walk without holding on for support, he ran away from home at age 3 1/2, telling neighbors he was going to the golf course, and he went on to win a PGA Tour event as a junior in college. Most fans are aware of Mickelson’s accomplishments and failures on the golf course, but in order to truly understand Phil Mickelson, you must first understand where he came from. This unauthorized biography explores Mickelson’s upbringing, his college and amateur careers, and details his breakthrough onto the PGA Tour, all the way through the lead-up to the 2013 Masters. From family to golf to the future, all you need to know about Phil Mickelson is right here, right now, in the most up to date coverage of his life.
