There is much other detail, including hundreds of individually named farms, houses and hamlets. Also shown are airports, airfields, stations, ferries, canals, marinas and an abundance of places of interest. Opening out to 680 x 1200mm, Philips London and M25 Navigator Road Map has a comprehensive index and includes an indexed street plan of central London. Philips London and M25 Navigator Road Map is designed for both professional and leisure users. For professionals, the wealth of detail makes activities such as regional planning and delivery driving far easier. Also, the map is fully printed on one side (including the index) to allow hanging as a wall map.
