This local street atlas of Falkirk and Linlithgow, and their surrounding towns and villages, gives detailed coverage of the area at a scale of 4.5 inches to 1 mile. The maps show hospitals, car parks, post offices, leisure facilities, schools, industrial areas and retail areas, while the index lists street names and postcodes. An area road map enables the user to identify through‐routes more easily. Pocket sized, and wire stitched so that it opens out flat, the atlas is ideally suited for both business and leisure use, whether by locals or visitors.
