Philosophy Made Simple will be of particular interest to students beginning degree courses in philosophy and to those who are studying it as an ancillary subject within courses such as sociology, education, linguistics, theology and psychology. It will, in addition, be useful for a variety of liberal arts courses in adult education. The book also provides a valuable basis for an introductory self-study course. Avrum Stroll is Professor of Philosophy at the University of California, San Diego, USA. Richard H. Popkin is presently Professor Emeritus, Washington University, St Louis and Adjunct Professor, History and Philosophy at UCLA, USA.
