Those who read to the end this story of Phoebe Rowe's life will be glad to know that her work still goes on. She had written of her last sad experience in witnessing against idolatry, I was afraid it would make weak ones stumble, but may be it will prove a blessing to this needy district, and the result was as she hoped. Nothing that had been said so roused us to the necessity of utterly effacing every trace of idolatry from home and village, destroying its roots of superstition and its offshoots in social and family customs.
