You knew the Thirteenth Phoenix, Zephyr. You were the one who ripped out his heart. The first book in the Phoenix13 series follows city-boy Kalligan Caelum and rebellious outlaw Jason McKinley in their quest to defeat King Skyler Callista and regain control of the great City of Nathandra. But just when it seems that the worst is over, Kalligans past memories resurface, revealing dangerous secrets and drawing the attention of a woman with nefarious aspirations and a complicated personal agenda.
