As a boy I went through several of the successive stages of collectors fever from which the young commonly suffer. First it was postage stamps then birds nests, obtained during the winter season when no longer of use to their builders. Later I was allowed to collect eggs, and finally the birds themselves. At one time my great ambition was to become a taxidermist. My family did not actively oppose this desire but suggested that a few preliminary years in school and college might prove useful. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works.
