Excerpt from The Philosophy of Nietzsche
The following pages contain the substance of a course of three lectures delivered at the University of London, University College, last February. The object of the lectures was to present the salient ideas of Nietzsche in an impartial and coherent manner, and with a minimum of technical terms. The general appreciation expressed by the large audiences who attended the lectures has encouraged me to believe that the lectures have not entirely failed to achieve their modest purpose.

About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works.
